

David Wojeski

Class of 1983

Columbia High School

David Wojeski is currently the sole proprietor of the certified public accounting firm of Wojeski and Company CPAs P.C. This highly successful and well-regarded business is located in East Greenbush and includes a staff of nine employees of who five are certified public accountants. Mr. Wojeski has also been involved with and continues to provide direction to seven other companies affiliated with his parent firm.

Mr. Wojeski graduated from Columbia High School in 1983. Following his graduation at Columbia, he attended the State University of New York at Albany, where he earned a Bachelors of Science degree in accounting, in 1987, graduating with honors (Summa Cum Laude). Soon after attaining his degree he went to work for a Big Six accounting firm prior to establishing his own enterprise in 1991.

Mr. Wojeski has been acknowledged as a leader and standard-bearer in his vocational field of endeavor. This is evidenced by his selection in February of 2000 by the Capital District Business Review as one of its "40 under 40" honorees. This prestigious award is made annually in recognition of those young professionals who are making a positive impact on their profession and in their communities. He also served as chairman of the Board of Directors of the Rensselaer County Chamber of Commerce. As a recognized leader among regional CPA firms, David has been frequently requested to make technical presentations to various private and public organizations. His decision a little over a decade ago to start a business from the ground up and guide it to its current successful level is testimony to his commitment to his clients and employees to "combine personal and timely service with big firm CPA experience in a small firm familiar environment."

Mr. Wojeski's commitment to his community is no less impressive in its substance and exposure. His long-standing efforts on behalf of the youth of our communities is demonstrated by his personal leadership role in the Junior Achievement Program which educates students to understand the importance of completing their education and reaching vocational goals. His efforts to benefit his community involve voluntary work to assist needy families (CONCERNS-U) as well as contributions of time and funds for recreational activities.

It is therefore, with great pride that the East Greenbush Central School District proudly inducts David Wojeski into the Columbia High School Hall of Fame.
